PEDESTAL 1.7M

- The product is intended to be installed and used in indoor and protected outdoor areas.

IMPORTANT SAFETY INSTRUCTIONS

INSTRUCTIONS PERTAINING TO RISK OF FIRE OR ELECTRIC SHOCK!

Read these instructions carefully and retain them for future use. If this product is passed to a third party, then these instructions must be included.

⚠ ***WARNING:*** *Do not use this product if there is any damage to the unit.*

a. *Read all the instructions before using this product.*

b. *Do not put inflammable, explosive or combustible materials, chemicals, combustible steam or other dangerous goods near the product.*

c. *Take care not to drill into any pipes or power lines beneath the surface during mounting holes preparation. Use a power line / metal detector.*

d. *Always follow basic safety precautions when using electrical products with this product. Supervise its use around children, and do not use it if the EV cable/device shows any signs of damage, such as fraying or broken insulation*

⚠ ***WARNING:*** *Read and follow instruction manual for the charger that will be used with this product. Failure to follow all instructions listed below may result in electric shock, fire and/or serious injury.*

SAVE THESE INSTRUCTIONS

Before First Use

⚠ ***DANGER:*** *Risk of suffocation! Keep any packaging materials away from children and pets - these materials are a potential source of danger, e.g. suffocation.*

- *Remove all packaging materials*
- *Remove and review all components before use.*
- *Check the product for transport damages.*

Product Parameter

Product name: Column
Installation method: vertical column type

Product size (in MM)

Overall size (Figure 2-1): 1700 x 200 x 80
Size of cable outlet hole (Fig. 2-1): 40 x 25
Dimension of the lower half (Figure 2-2): 875 x 80
Heagon screw (Figure 2-3): M4 x 12
Bottom fixed expansion bolts (Figure 2-4): four M10 x 80
Connecting block locking screws (Figure 2-5): M6 x 12:16

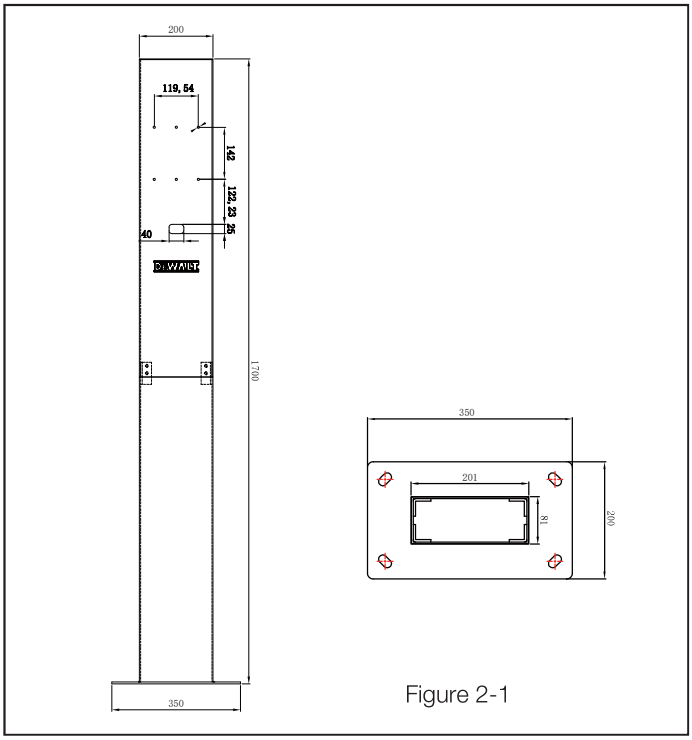

Figure 2-1

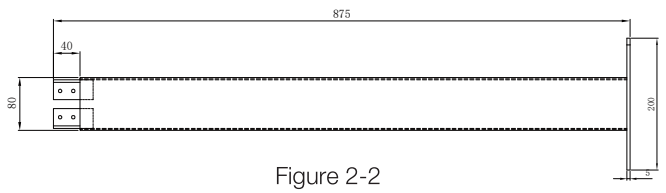

Figure 2-2

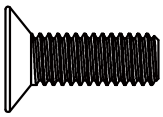

Figure 2-3 Heagon screw in sunk head

Figure 2-4 bottom fixed expansion bolts

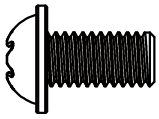

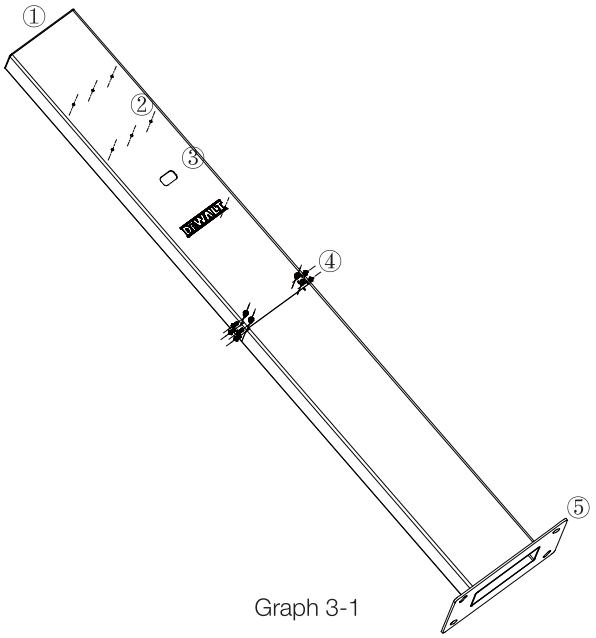

Figure 2-5 Connecting block locking screws

Column installation

General assembly drawings:

Graph 3-1

1: Column body
2: hexagon screw hole in the sink head
3: cable outlet hole
4: lock the screw hole
5: Expansion screw hole position

Column installation

1.Put the six hexagonal screws (Figure 2-3) into the six small holes in the main body of the column(Fig. 3-1-2) in;

2.Combine the upper and lower parts of the column and lock the screws with M6 * 12(Fig. 2-5) Fixed;

3.Pass through the wire through the bottom hole, and then pass out of the cable outlet hole (Figure 3-1-3);

4.In the concrete ground drilling depth of 100mm, knock in the expansion bolt (Figure 2-4), the bolt out height is less than 16mm, the expansion bolt model is M10 * 80mm (Figure 2-4);

5.Place the column into the expansion bolt and lock it with the nuts.

Post-installation check

1. Clean up
Properhandle all materials for transport and packaging in accordance with local regulations.
Clean up the debris inside and around the pile, such as small cables, binding belt, screw / nut, etc. Do not leave the installation tools on the site or inside the pile (record the type and quantity of tools to prevent omission).
Wipe clean with anti-static cloth, do not use any corrosive solvents.

2.Check
Check the base for fixation and sealing.
Check whether the internal devices of the equipment are fastened and reliable.
Check whether the electrical connection and wiring are correct and complete, whether the connection is reliable, and check whether the grounding is reliable.
Check whether the protection level of the equipment meets the requirements, especially the cable entrance at the bottom of the pile.
View appearance, marking, integrity, cleanliness.

Accessories

⚠WARNING: *Since accessories, other than those offered by DEWALT, have not been tested with this product, use of such accessories with this product could be hazardous. To reduce the risk of injury, only DEWALT recommended accessories should be used with this product.*

Three Years Limited Warranty

The manufacturer warrants this product against defects in material and workmanship for a period of three (3) years from the date of retail purchase by the original end-user purchaser ("Warranty Period").

If there is a defect and a valid claim is received within the Warranty Period, the defective product can be repaired, replaced or refunded, without charge, in the following ways: (1) Return the product to the manufacturer for repair, replacement or refund at manufacturer's option. Proof of purchase may be required by manufacturer. (2) Return the product to the retailer where product was purchased for an exchange (provided that the store is a participating retailer). Returns to retailer should be made within the time period of the retailer's return policy for exchanges only (usually 30 to 90 days after the sale). Proof of purchase may be required. Please check with the retailer for their specific return policy regarding returns that are beyond the time set for exchanges.

This warranty does not apply to: accessories, bulbs, fuses and batteries; defects resulting from normal wear and tear, accidents; damages sustained during shipping; alterations; unauthorized use or repair; neglect, misuse, abuse; and failure to follow instructions for care and maintenance for the product.

This warranty gives you, the original retail purchaser, specific legal rights and you may have other rights which vary in certain states or provinces. This product is not intended for commercial use.
